## About me

### And my work

I'm Thisumitha Bandara  
Web Developer, Application Developer

I'm a studious, energetic and hardworking teenager who is willing to apply my knowledge and skills in web Development. I am going to sit my G.S.C Advanced Level examination in Technology stream in 2025. I Study in kg! Pinnawala national school since 2016. I teach Arduino to my students and I am currently following a software development course which is conducted by ICET (PVT) Ltd (a trust worthy institute with years of experience has guided many people to their stability in the field). I would like to be cooperative with people who trust me.
